Capabilities and product offerings are subject to change without notice. For the most up to date information please visit [www.vitrum.ca](http://www.vitrum.ca)

Vitrum strives to meet all of your glass fabrication needs. For sizes outside of these minimums and maximums please contact one of our highly knowledgeable Customer Services Representatives.

**DecorCoat™**  
Backpainted Glass

DecorCoat™ Backpainted Glass

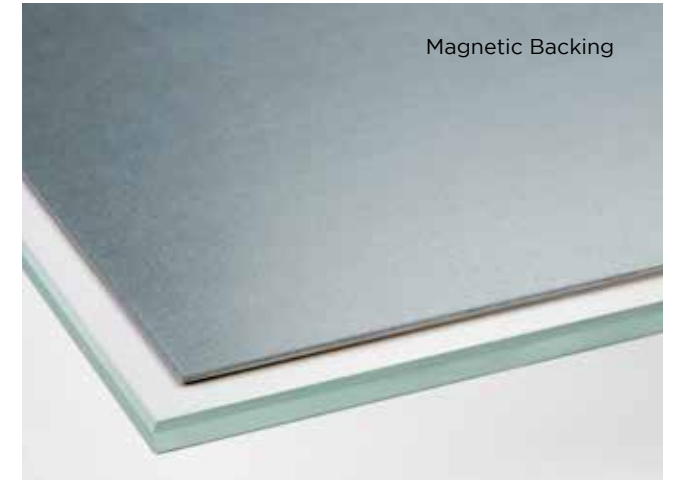

**DecorCoat™ Backsplashes**

Custom colours, sizing and cut-outs make DecorCoat™ the perfect solution for kitchen backsplashes. The sleek seamless lines, vibrant colours and depth offered by backpainted glass creates a one-of-a-kind look that cannot be accomplished using traditional backsplash materials. With virtually limitless colour matching possibilities DecorCoat™ can be the perfect fit for any design project.

**Features and Benefits**

- Endless design possibilities
- Low maintenance with no ghosting or staining (when dry erase makers are used)
- Highly durable
- Available as both a standard or magnetic glass board (compatible with rare earth magnets)
- Virtually limitless colour palette
- Optional complimentary mounting hardware available

DecorCoat™, a back painted glass solution from VITRUM™ Glass Group, is created by roll-coating an environmentally friendly water-based paint on the unexposed surface of Ultra-Clear Starphire® glass, producing rich, deep and vibrant opaque colours. With Vitrum's custom colour matching and a virtually limitless choice of colours, DecorCoat™ offers the best in backpainted glass. Explore the design possibilities today by ordering a sample at vitrum.ca

This low-maintenance, durable and abrasion resistant product provides the perfect solution for high-traffic commercial applications and unique decorative installations alike.

**DecorCoat™ Back Painted Glass Capabilities** Minimum: 9"x14" | 228 x 355 mm Maximum: 102" x 200" | 2590 x 5080 mm
